Meeting 1

Anh Le

August 30, 2014

1 Readings

- Sec 1.1 An overview of R. Skip the discussion on R Commander, since we're using RStudio. The 1.1.3 "Online help" section is good to know, but these days people get help the way I told you.

- Sec 1.2 Vectors, factors, and univariate time series. Skip 1.2.8 Time series.

2 In-class Exercises

See website.
